

The Godiva Trust

Annual Godiva Day Celebrations

The Godiva Celebration Day took place at The Priory Gardens on 20th September attended by Coventry Mayor Linda Bingham, The Coventry Guild, local community

groups, charities, faith leaders and St Ogsburg Primary School.

It was a beautiful sunny day as members of the community shared songs, faith, language poetry, music, speech and dance by St. Osburg's Primary school children. Speeches, reflections, prayer and gifts were exchanged as a sign of local people coming together in support for each other at the heart of the city centre in the historic Priory Gardens where the original St Mary's Abbey once stood 1000 years ago.

A member of the community who attended Foleshill textiles workshops joined in The Godiva Day Celebrations and gave a warm welcome to the crowds in Tanzanian.

"The Godiva Day was so wonderful and felt so appreciated and everyone is wonderful, Thank you..."
Hema Maje, local community member

"It was a lovely day and it was nice to be at the heart of Coventry history..." local photographer Heather

Exhibition at Foleshill Library

Throughout the month of October an exhibition of textiles work made by those who attended textiles workshops will be on display. Learners of all ages including children and adults will have their art work on public display at Foleshill Library throughout October.

Art in the Park!

St

Children from Edgwick Park, Elizabeth and St Catherine Primary Schools

participated in exploring traditional block printing techniques culminating in a display of work achieved at Foleshill Library. Students art work is now on display at Foleshill Library throughout October. Any queries please contact Coventry Libraries Foleshill 02476 786977 or see web link below <https://www.coventry.gov.uk/foleshilllibrary>
